SITUATION

Arenal is one of Jávea's most established coastal locations, combining beach life with year-round services. The apartment is approximately 250 metres from Arenal Beach and within easy walking distance of restaurants, cafés, shops and daily amenities. Its first-floor position and lift access make it practical both as a private holiday home and as a rental property.

THE PROPERTY

The renovation creates a clean, contemporary interior with a dark fitted kitchen, pale flooring, oak details and extensive recessed lighting. Large glazed doors connect the living area to the terrace, while both bedrooms provide double accommodation and fitted storage. The apartment is offered as shown, with its current furniture and principal household equipment, subject to the final itemised inventory.
